Syllabus Scavenger Hunt

In groups of 3-4, go through the syllabus and answer the following questions

1. How many points is discussion session worth?

2. Can you make up quizzes?

3. What are the repercussions for academic dishonesty?

4. What is the purpose/goal of discussion session?

5. Who do you contact if you have enrollment questions or problems?

6. When are quizzes given?

7. Where will class handouts or assignments be posted?

8. How can you reach me (Kate)?

First Impressions

As a group, please come up with a question/concern that you had from lecture today (it can be science or class structure related). If you have no questions, come up with something you are excited to learn about in Bio 93.
